Not less than 60 days prior to each such scheduled mandatory redemption date, the County may specify the particular subseries from which Series 2002-C Warrants are to be called for such redemption and (if more than one subseries is so specified) the respective principal amounts to be called for redemption from each thereof. In any such case, the particular Series 2002-C Warrants (or portions thereof) within a given subseries to be called for redemption shall be selected by the Trustee by lot. If the County fails to make such a specification with respect to any scheduled mandatory redemption date, not less than 45 or more than 60 days prior to each such scheduled mandatory redemption date, the Trustee shall proceed to select for redemption, as provided in Section 5.6 hereof, Series 2002-C Warrants or portions thereof in an aggregate principal amount equal to the amount required to be redeemed and shall call such Series 2002-C Warrants or portions thereof for redemption on such scheduled mandatory redemption date. In any event the County may, upon direction delivered to the Trustee not less than 60 days prior to such scheduled mandatory redemption date, direct that any or all of the following amounts be credited against the principal amount of Series 2002-C Warrants scheduled for redemption on such date: (i) the principal amount of Series 2002-C Warrants delivered by the County to the Trustee for cancellation and not previously claimed as a credit; and (ii) the principal amount of Series 2002-C Warrants previously redeemed (other than Series 2002-C Warrants redeemed pursuant to this paragraph) and not previously claimed as a credit.

Procedure for Redemption. In the event any of the Series 2002-C Warrants are called for redemption, the Trustee shall give notice of the redemption of such warrants, which notice shall specify the full title, including the subseries, if any, of the Series 2002-C Warrants, the redemption date, the place of redemption and the redemption price payable upon such redemption; that the interest on the Series 2002-C Warrants, or on the principal amount thereof to be redeemed, shall cease to accrue from and after such redemption date; and that on such date there will become due and payable on the Series 2002-C Warrants, the principal amount thereof to be redeemed and the interest accrued on such principal amount to the redemption date, if any, and the premium, if any, thereon. Each notice of redemption mailed to the Holder of a Series 2002-C Warrant to be redeemed shall, if less than the entire principal amount thereof is to be redeemed, also state the principal amount thereof and the distinctive numbers of the Series 2002-C Warrants to be redeemed and that such warrant must be surrendered to the Trustee in exchange for the payment of the principal amount thereof to be redeemed, premium, if any, thereon, and accrued interest, if any, thereon, and the issuance of a new Series 2002-C Warrant equaling in principal amount that portion of the principal amount not to be redeemed of the Series 2002-C Warrant to be surrendered.

Except as otherwise provided in the Sixth Supplemental Indenture, notice of redemption shall be given by mailing a copy of the redemption notice by first-class mail at least 30 days (15 days for Series 2002-C Warrants bearing interest at an Adjustable Rate) prior to the date fixed for redemption to the registered owners of the Series 2002-C Warrants to be redeemed at the addresses shown on the registration books maintained by the Trustee; provided, however, that failure to give notice to any Holder of a Series 2002-C Warrant, or any defects in such notice, shall not affect the proceedings for the redemption of the Series 2002-C Warrants for which notice has been given.

If at any time of mailing of notice of an optional redemption there shall not have been deposited with the Trustee moneys sufficient to redeem all the Series 2002-C Warrants called for redemption, such notice may state that it is conditional, that is, subject to the deposit of moneys sufficient for the redemption with the Trustee on or prior the redemption date, and such notice shall be of no effect unless such moneys are so deposited.

Under the Indenture, the Outstanding Parity Securities and the Series 2002-C Warrants are equally and ratably secured by a pledge of certain revenues from the System that remain after the payment of the expenses of operating and maintaining the System. Upon compliance with certain conditions specified in the Indenture, the County may issue additional securities (without limitation as to principal amount) that are secured by the Indenture on a parity with the Outstanding Parity Securities and the Series 2002-C Warrants with respect to the pledge of the aforesaid revenues from the System.

The Indenture permits the amendment of the Series 2002-C Warrants and the Indenture, and waivers of past defaults under such instruments and the consequences of such defaults, in certain circumstances without consent of Warrantholders and in other circumstances with the consent of all Warrantholders or a specified percentage of Warrantholders. Any such consent or waiver by the Holder of this warrant shall be conclusive and binding upon such Holder and upon all future Holders

of this warrant and of any warrant issued in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this warrant.

The Holder of this warrant shall have no right to enforce the provisions of the Indenture, or to institute any action to enforce the covenants therein, or to take any action with respect to any default thereunder, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

As provided in the Indenture and subject to certain limitations therein set forth, this warrant is transferable on the Warrant Register maintained at the Office of the Trustee, upon surrender of this warrant for transfer at the Office of the Trustee, together with all necessary endorsements for transfer, and thereupon one or more new Series 2002-C Warrants of the same Maturity, subseries and interest rate, of any Authorized Denominations and for a like aggregate principal amount, will be issued to the designated transferee or transferees.

As provided in the Indenture and subject to certain limitations therein set forth, the Series 2002-C Warrants are exchangeable for other Series 2002-C Warrants of the same Maturity, subseries and interest rate, of any Authorized Denominations and of a like aggregate principal amount, as requested by the Holder surrendering the same.

No service charge shall be made for any transfer or exchange hereinbefore referred to, but the County may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

The County and the Trustee may treat the person in whose name this warrant is registered as the owner hereof for the purpose of receiving payment as herein provided and for all other purposes, whether or not this warrant is overdue, and neither the County nor the Trustee shall be affected by notice to the contrary.

No covenant or agreement contained in this warrant or the Indenture shall be deemed to be a covenant or agreement of any officer, agent or employee of the County, and neither any member of the governing body of the County nor any officer executing this warrant shall be liable personally on this warrant or be subject to any personal liability or accountability by reason of the issuance of this warrant.

Any terms used herein which are defined in the Indenture shall have the respective meanings set forth in the Indenture.

It is hereby certified, recited and declared that all acts, conditions and things required to exist, happen and be performed precedent to and in the execution and delivery of the Indenture and issuance of this warrant do exist, have happened and have been performed in due time, form and manner as required by law.

Unless the certificate of authentication hereon has been executed by the Trustee by manual signature, this warrant shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

IN WITNESS WHEREOF, the County has caused this warrant to be duly executed under its official seal.
